**[APPLICATION]** [Affiliations within \*\*single sign-on\*\* systems](#)

US Pat. 10772843 - Filed Oct 12, 2004

Date: Apr., 2006 (54) AFFILIATIONS WITHIN **SINGLE SIGN-ON** SYSTEMS (76) Inventors:

... The invention provides an **affiliation** within a **single sign-on** system, ...

**[APPLICATION]** [Method and system for a runtime user account creation operation within a ...](#)

US Pat. 11097587 - Filed Apr 1, 2005

A federation is a loosely coupled **affiliation** of enterprises which adhere to ...

In conjunction with **single-sign-on** functionality, additional user lifecycle ...

**[APPLICATION]** [METHOD AND SYSTEM FOR IDENTITY PROVIDER MIGRATION USING FEDERATED \*\*SINGLE\*\* ...](#)

US Pat. 11459118 - Filed Jul 21, 2006

A federation is a loosely coupled **affiliation** of enterprises which adhere to ...

In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** [Method and system for secure binding register name identifier profile](#)

US Pat. 11010228 - Filed Dec 10, 2004 - INTERNATIONAL BUSINESS MACHINES CORPORATION

A federation is a loosely coupled **affiliation** of enterprises which adhere to ...

In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** [Method and system for enhanced federated \*\*single\*\* logout](#)

US Pat. 11086717 - Filed Mar 22, 2005

A federation is a loosely coupled **affiliation** of enterprises which adhere ...

Hence, in conjunction with **single-sign-on** functionality, additional user life- ...

**[APPLICATION]** [Method and system for pluggability of federation protocol runtimes for ...](#)

US Pat. 10896353 - Filed Jul 21, 2004 - INTERNATIONAL BUSINESS MACHINES CORPORATION

These techniques are generally described as "**single-sign-on**" (SSO) processes ...

In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** [Method and system for enabling trust infrastructure support for federated ...](#)

US Pat. 10896286 - Filed Jul 21, 2004 - INTERNATIONAL BUSINESS MACHINES CORPORATION

A federation is a loosely coupled **affiliation** of enterprises which adhere to ...

In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** Method and system for establishing federation relationships through imported ...  
US Pat. 10/896,285 - Filed Jul 21, 2004 - INTERNATIONAL BUSINESS MACHINES CORPORATION  
A federation is a loosely coupled **affiliation** of enterprises which adhere to ...  
In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** Method and system for enabling federated user lifecycle management  
US Pat. 10/896,316 - Filed Jul 21, 2004 - INTERNATIONAL BUSINESS MACHINES CORPORATION  
A federation is a loosely coupled **affiliation** of enterprises which adhere to ...  
In conjunction with this **single-sign-on** functionality, additional user ...

**[APPLICATION]** Specializing support for a federation relationship  
US Pat. 11/014,553 - Filed Dec 16, 2004  
A federation is a loosely coupled **affiliation** of enterprises ... In conjunction  
with this **single-sign-on** functionality, additional user lifecycle ...
